

Erratum: Figure Correction

Aeroallergen sensitization and allergic disease phenotypes in Asia

Asian Pac J Allergy Immunol. 2016 Sep;34(3) on Page 182

Elizabeth Huiwen Tham

To the Editor:

We would like to make a minor geographical correction to the map in the original article. The revised map is attached (**Figure 1**). The aeroallergen sensitization distributions remain accurate and this correction does not change the scientific conclusions of the article in any way. The authors take responsibility for the error.

Corrected Figure 1

Figure 1. House dust mite sensitization rates in atopic individuals in Asia
